  - b) ~~In the event of a tie arising from 2(a),~~ Each boat's race scores in their Fleet shall be listed in order of best to worst. The total number of races listed shall be limited to the number sailed in the Fleet, from amongst those being compared, with the lowest number of races in the respective Round and, if applicable, truncated after that number of races is reached. ~~For the purpose of this Addendum only, double points will only apply when all Fleets scored double points on the last race of their last day of racing, otherwise single points will be scored for those races.~~
    - i. ~~Boats shall be ranked in order of the highest total score from the races listed in 2(b).~~ RRS Appendix A.8 applies.
    - ii. ~~If a tie remains between two or more boats, at the first point(s) in the list of race scores where there is a difference the tie shall be broken in favour of the boat(s) with the best scores(s).~~
    - iii. ~~If a tie still remains, boats shall be ranked in order of their scores in the last race listed. Any remaining ties shall be broken by using the tied boat's scores in the next-to-last race and so on.~~
